The Premises:

Nice little apartment in the Gloucester Road / Earls Court area. I've seen Ksenia before through another agency, but this was a new place. She'd been away for a while. She always makes the place look homely. Nice and comfortable, good showers. Safe and secure.

The Lady:

Ksenia is what it says she is. She's an older woman it's as simple as that. If you go expecting a young woman you will be disappointed. She definitely in her 40s, perhaps even late 40s when you look at her, but she looks terrific. Personally I think she's gorgeous. She has the body of a woman ten years younger and she's nice and slim. The pictures have been smoothed over, which is a shame because I actually think she would do better if they were left alone. Natural body, lovely natural and big boobs. Looks great.

The Story:

The service from Ksenia was as good as I remembered it last time. She met me wearing a beautiful silver, glittery dress like she was going out for cocktails or something. She had on high heels and her hair was all done nicely. This was great considering that I had requested her at 11.00 and she didn't usually start until later on. Not that much make up to be honest, but she's a natural woman, and she looked great. She is very full on and hands on! Kissing nice and deep and touching me all over etc. She bent over the bed and lifted her dress for me to see her little panties underneath, which I took great pleasure in taking down.

Once she had stripped naked for me and I had the same, she got me on the bed and gave my cock a real good suck! Her OWO is very good. Not the very best, but she has plenty of experience. Can't quite get it all in, but she makes it nice and wet. Her boobs are great by the way. They look as though they should belong to a much younger woman, and they are all natural.

Moved onto sex and I took her in missionary first, she loved it nice and slow and really got into it. Nice and wet and really loving it. Onto cowgirl for a while whilst I played with those big tits and sucked on them, then into doggy for a good hard fuck. She came in this position I'm pretty sure (but I could be mistaken!). I very nearly did too, but I wanted to end like I did the time I saw her last

(must have been nearly a year ago elsewhere in Earls Court). I pulled out and shoved her head down on me and she sucked and slurped until I came in her mouth. It's all included in the price with Ksenia too (another reason I like her so much!). She let it dribble out and continued to suck it and it felt amazing.

Had a brief catch up with her, a nice little massage and a quick shower before I had to leave and catch a train.
