The Premises:

Nice flat close to Sainsbury's (free parking - but also lots of cheap parking nearby at weekends). Fairly small room with ensuite but clean.

The Lady:

Photos accurate but do not show her lovely perky breasts. Limited English and kissing limited to light peck rather than DFK.

The Story:

Came in to the room with the drink I had requested and took off her heels. Confirmed length of visit. Very light kissing while standing. She took of my shirt and hung it up then removed her dress revealing her wonderful body. This kept me busy for a bit!!! Breasts I would say smaller than the advertised D cup but firm and a good hand-full. Off with the trousers and she did a thorough clean with the wipes. Blow job nice, not too deep but also not too much hand work involved. I lay her back on the bet to return the favour. Neat pussy and very lickable. Moved round for some 69 then on with the raincoat and cowgirl. I would have liked to do some other positions but that was not to be - she is so tight! Quick withdrawal afterwards and lots more wet wipes. Not a lot of conversation after but I was knackered anyway.

Great time with a beautiful teen!
