### The Premises:

A private flat in a block on a new estate. It is situated between Bexleyheath and Belvedere and Bexleyheath rail stations. It had a discreet buzzer/intercom entry. It wasn't the easiest place to find because of poor street numbering.

### The Lady:

A busty G cup Polish girl around a dress size 12/14. She was very friendly throughout the session.

### The Story:

On a hot day, I felt in the mood for a basic topless hand/breast relief session with a big boobed girl. Mila ticked that box. Her breasts were large, natural and firm. She gave me a slow, sensual hand job with some oil for added pleasure. I took every opportunity to feel and suck her ample breasts. For the finale I stood and thrust between her breasts while she tickled my balls. I shot over her breasts to conclude the session.
