The Premises:

Didn't know if valentines was still open as no recent reviews so was well happy when it was, £10 on the door and showed into the room. 2 gorgeous girls a stunning Russian blond called Angela and an Australian called Jessie. both were exceptional and it was a tough choice but opted for Jessie

The Lady:

Waist length dark hair big dark eyes and kissable lips, a basic £50 service is enough but had a little extra and it was well worth it, she is a natural E cup, massive boobs and a slim body, what followed was one of the most enjoyable services I have ever had, don't want to spoil the surprise by going into details but am already stirring at the thought.

The Story:

Valentines was a firm favourite and is going to be again, well worth a visit if like me you have left it a while.
