### The Premises:

Easy place to find near Bond Street station. Apartment building is easy to access, comfortable and modern inside. Lots of space, clean and tidy. Felt safe and secure.

### The Lady:

Simina has probably the most accurate pictures I've seen for an escort in a long time. When I walked in the door it was literally like staring at the pictures on the website. She even had her lovely long blonde hair up in the same way. A beautiful young woman. Not too skinny, curvy in all the right places. She speaks excellent English. Half Spanish and half Romanian apparently. Very friendly and polite.

### The Story:

One thing I will say about Simina is that she did seem to be a little in a hurry to get things started. I'm not saying that she wanted me out of the door, but she seemed impatient to begin. She started with a nice little strip for me where she showed me just how great her glutes were and her thigh muscles. It's clear she likes to work out and it's a pleasure watching her move too. Her tits are amazing to say the very least. Beautiful, big and natural. A tasteful tattoo is underneath them too, and luckily it doesn't spoil the overall look. She took great pleasure in pushing them in my face before pushing me back on the bed and taking my dick in her mouth.

Simina is another of the girls I've seen lately that can get the whole thing in her throat. Perhaps I'm shrinking I don't know. But I went through a spell of getting girls that couldn't take much in at all. Simina gives the proper porn star style – looking into your eyes and moaning. A little gagging and some face fucking is pretty good, especially when she slides her lips around it and takes it in the cheek.

She seemed to take much of the lead really, and I was happy for her to do so. She rode me on top for a while. She's skilful and tight! Then she got off and told me I had to work a little too. So I climbed on board and went for it on top for a while. She has lovely tits, perfect for hanging onto when you're screwing her like this. They look marvellous too. Really wanted to go in doggy too, but to be honest, she got me so hot and horny that I just popped right there inside. She must have been

doing a good job too considering that I'd already had a session with a Russian girl in the afternoon. I didn't expect to finish so soon.

Nice little chat afterwards. Didn't push my luck to have another go, so I left early very happy.
