The Lady:

Clara was a beauty just as you see in her pictures.

The Story:

This was my first time with an escort so I was pretty nervous. However Clara's kind attitude and amazing body helped me forget how nervous I was and made the experience more enjoyable.

Upon arriving, she took me to the room and asked if I wanted a drink. I asked for a glass of water so she left the room to get me my water and to get ready. She comes back 2 or 3 minutes later and gave me the water. After that we both stripped down naked and she told me to lie down on the bed. She started off with a sensational hand job which then led onto a blowjob with a condom on. After a few minutes of that, she got on top and we started having some nice sex.

I had many positions in mind but unfortunately I couldn't last very long and blew my load after the first position.

I was extremely nervous on my way to go see Clara. Not only have a I never been with an escort before but I also look alot younger than my age 22 which also makes me insecure in many scenarios such as this. However, Clara gave me an experience in which I was surprisingly not nervous and very comfortable throughout. I will definitely being seeing her again. If you're reading this Clara, thank you for sharing your body with me. I had a great time!
