The Premises:

First time that I have been to the new House of Divine 3 premises and it turned out to be just above the House of Divine 2 premises! Was not as nice as the old Pimlico place and seemed a bit cramped but I wasn't worrying about such things and after a shower was only concerned with seeing Louise in the bedroom.

The Lady:

I have seen Louise on YouTube on the BBC documentary and also her face is not blurred on the HOD Squad Twitter pictures anymore and now I have wondered how I didn't see her in her first spell at House of Divine! Gorgeous blonde with enhanced breasts (though such a good job that you couldn't tell she'd had work done), a nice shaved pussy and a beautiful bum. But most of all, her bubbly and friendly personality really shone through. She either really enjoys her job or is the best actress in the world! She is British but has come back from her Australian travels with a slight Aussie twang.

The Story:

Louise came in the room and greeted me with a kiss. I knew this was going to be a good one from her smiley face. Onto the bed and she gave me some lovely oral sex. She definitely knows what she is doing and in no time at all my cock was erect. She was pinching my nipples during this and it felt great. Then, after I requested it, we had a lovely 69. Louise asked if she could go on top so I gave her pussy a kiss goodbye and she rode me for a few minutes, which was incredible. Then I had a few minutes of missionary position with some lovely slow sex and then Louise asked if I would like to try doggy. This was superb and I got really deep into Louise's pussy. Sensing time was running out, I went on top again and tried to cum. I pulled out and started wanking till I eventually cam on Louise's lovely breasts. A bit of claning up and a chat and I looked at my watch and it was 5:29 and time for me to go.

A perfect half an hour with a truly lovely woman, Catch her soon, gents, in case she disappears again like she did the first time I missed her! Thanks Louise and I hope to see you soon.
