The Premises:

House of Divine 3, which is on the Victoria/Pimlico borders about a five minute walk from Victoria Station. I only saw the bedroom which was compact but adequate for what was being done. The walls are thin, though, so if you're of a sensitive disposition - and are concerned that every moan or gasp can be heard by the maid or other girls - then you may wish to be aware.

The premises are in central London. I visited on a Sunday afternoon when there were no parking restrictions in force. There was plenty of free, on street, parking available.

The Lady:

[b]PHYSICAL APPEARANCE:[/b] Tall, shapely brunette with long hair. 32G natural bust (claimed and I've no reason to doubt the measurements and they feel totally natural). Shaved. Very pretty.

[b]AGE:[/b] 21 (claimed) and appears credible.

[b]HEIGHT:[/b] 5'8" (claimed and credible).

[b]DRESS SIZE:[/b] 10 (claimed and I've no reason to doubt the measurements).

[b]NATIONALITY:[/b] British.

The Story:

HoD made it plain that this was not only Billie's first shift with them, but her first shift ever as a WG. I expected that she'd be finding her way and show some signs of nerves but was pleasantly surprised at how assured and confident she seemed. On arrival, I was directed straight into the bedroom; Billie was seated in what appeared to be the sitting room (through which I briefly passed on the way to the bedroom) and smiled cheerfully. After the maid gave me a drink, Billie joined me and, after a friendly greeting, initiated a very enthusiastic and long french kiss. Matters proceeded from there and, after a bout of very gentle and quite exquisite oral without (which came with lots of eye contact), out came the condom for some sex.

With mission accomplished, we chatted briefly before Billie initiated another kiss which was the prelude to more exquisite (uncovered) oral. Unfortunately, I couldn't quite stay hard enough for sex for a second time. It was Billie who suggested cumming over her tits and, very helpfully, held her boobs together for a quick tit-wank (which did the job!)

I enjoyed my time with Billie who is highly recommended.
