The Premises:

The new HOD3 flat in Victoria above HOD2. All pretty much as usual at HOD. Not luxurious but everything clean and OK, clean towels freely available. I used the lower room, not much space apart from the bed.

The Lady:

Dollar is a very attractive Romanian lady. Description is accurate so far as I know. The pictures, taken last week, show her face, and her other assets, and give a very good idea of what I saw. She came in without her killer heels (a few steep steps to negotiate) but got them when I asked, and they make a beautiful arse sensational.

The Story:

It was the second time I have seen Dollar, the first was great, this was even better. I think it helps she feels comfortable with me (maybe it helped she knows that I enjoy her mate Adrienne, and hopefully vice-versa). She was happy to go along with my suggestions to move things on, playing with nipples, OWO, RO, Mish, Asian cowgirl, all with kissing and chat where possible. She seemed to enjoy herself, including my RO, and to be comfortable with things (apart from catching her knee on a board under the mattress !). She and Adrienne are now about top of my list of girls available at HOD, which is high praise indeed.
