did not see see so cant confirm if she is the person in the picture

### **The Story:**

Called to make the booking and all was going well until i asked for her to confirm booking which she did not confirm even after 2 texts, i have been in this game for too long to trust just pics and no reviews especially when the image of the lady used is very attractive. she never confirmed the booking which led me to assume that this person has something to hide and doesnt want feedback left on their account to draw in the gullible.

anyway should you still go ahead and book this person do it with caution
