The Premises:

Very easy incall in Bayswater, not far from where I was staying either, so I was very pleased. Nice flat, comfortable and clean and tidy. Was very welcoming.

The Lady:

This was a new choice for me at Asian Selection. I like the Thai girls, but I haven't been in a while because I've been focusing on the Russians and Europeans (so many good ones!). Charlotte looks a lot like her pictures, but age is always tricky with these Thai girls to be honest. She's pretty, nice and slim with a good body. Her English isn't great, but good enough to get by.

The Story:

Charlotte greeted me with a kiss, and she was very affectionate. Helping me to get undressed etc and being generally as these Thai escort are. She was wearing matching bra and panties, with black fishnets (hold up). She looked very nice indeed. After my shower she did a little a dance in front of me, and right in front of the mirror. Loved the way she stripped off and showed me in the mirror as she lowered down over my cock as it popped between her legs as she moved up and down. She was very horny.

Her OWO is pretty good. Nice and deep and wet. I went for a bit of face fucking here too and this was received very well. I already knew where I was going to unload. Love these Thai escorts because they never charge you extra for this and that. Makes a refreshing change from the EE and Russians I'd been seeing lately.

Bent her over the bed next and took her from behind. She took it nice and deep with no trouble and we went at it like this for a while until I changed my mind. Although these Thai escorts pretty much all do anal, I'd never actually taken them up on it because it isn't something many of them ask you to do. Charlotte didn't ask me to do it, but when I pulled out and started to press against her ass hole, she moved against it and moaned slightly, motioning to the lotion on the table. I took this as an invitation and lubed up. Pushing into her ass was slow and felt great. This was when she really started to moan and groan, and even scream at one point as she put her own hand between her legs to play with herself. She came soon after, so it's pretty clear she likes it in the ass.

I was pretty close too, but I new I wanted some more of that mouth. I moved her onto her back with her head against the head board and fucked her mouth pretty hard. She gagged and dribbled but sucked like a trooper. She then motioned me to fuck her again, so we covered up and went for a while in missionary. I would have really liked to just cum inside, but as I approached I pulled out and shoved her head down on my cock again and exploded in her mouth. Took it all and smiled!

You really don't get this sort of service from many girls, and not for that cheap price. If you've never had a Thai girl before, Charlotte is a good choice.
