The Story:

I cannot believe I am the first person to write her a review.

Chantelle is a proper ebony tall and very elegant

Nice tits and very complimentary of her client.

If you want a proper GFE then she is the one for you.

She was abit nervous when she grab my joy stick but when she got

Into the real action, I didn't want her to stop. The experience was phenomenal.

I am one of those guys that don't like spit on my dick. Just suck it nice , slow and sensious.

She does tick all the boxes and she is clean.

After sucking on came the rubber and again nice riding but I wasn't finished as I wanted to enjoy that blow job again. So off came the rubber and she's sucking it while staring deeply into my eyes.

It didn't take long before I exploded. Again no rush and always smiling.

Am back home now and it feels like going back to see her again. I absolutely recommend her
