The Story:

Standard apartments well reviews elsewhere.

Pictures are accurate on website and also on Twitter.

I have seen Alexa several times now, each time she gets better. Services generally include owo, dfk, extra ball. Not a clock watcher although with Alexa she normally has me cumming pretty quick so I struggle to use the time.

Other reviews are pretty accurate, has a few tattoos, enhanced breasts. In my opinion has the best body in the establishment, and also a pretty face. English is good and always happy to please.
