The Story:

I went to Suse's apartment in the middle of the afternoon. She answered the door in a little black dress and stilettos. Gave me a drink and we chatted for a while.

We proceeded to the bedroom where she started kissing me, and we slowly started undressing each other. I just couldn't wait to have that rock hard ass in my hands so I picked up the pace. This girl is HOT.....

Once we were naked in bed she took my cock in her mouth and gave me a wet owo until I asked her to put a condom on me....just couldn't wait any longer. She got on top and put my cock inside her and started to ride me. We fucked for a while. I never felt rushed and I actually think she enjoyed the session as much as I did.

I had a quickly shower and left. I will see Suse again,
