The Story:

I was taken aback when Samantha opened the front door on my arrival as I was expecting to be greeted by the maid. More attractive than I was expecting from the profile photos, she reminded me of someone and I stood there wracking my brains for a few seconds before I worked out that she bore more than a passing resemblance to the wife of one of the junior Royals. And I'm not referring to Meghan.

I followed her up the stairs and was treated to a wonderful view up her short skirt which kick started my libido's ignition process. Once in the room, the action started like with all the best punts with a kiss which morphed within nanoseconds into dfk. And she dfk'd beautifully. I couldn't get enough and it took a little while before we fully stripped and made our way onto the bed. By this stage, I was well and truly fired up having been completely celibate for the previous 10 days and was, to put it politely, really looking forward to a punt. Stoking the furnaces of desire by treating me to an excellently executed owo, Samantha took me close to boiling point. On went the condom for sex in the missionary position accompanied by more dfk. I soon realised that I was heading towards the point of no return which for me was uncharacteristic so early on in the proceedings but clearly indicative of the extent she'd turned me. Eventually I had to admit defeat and the cover came off for more dfk and then owo culminating in a cim finish. And what a finish it was - extremely powerful and long lasting in duration.

When saying goodbye, Samantha said that she'd hope to see me again soon - a pleasantry that I always appreciate.
