The Premises:

The new HoD3, more compact than the previous location but just as clean and tidy, situated very close to HoD2, front door while anonymous is a bit exposed for anyone requiring complete discretion.

The Lady:

Both ladies are similar in that they are both Brits, 20 something in age, brunette, slightly taller than average, attractive in a girl next door sort of way, medium curvy build with enormous breasts. Photos currently on their HoD profile provide a good indication of what to expect.

The Story:

I couldn't pass by the opportunity of booking these ladies for a FFM when I saw that they were both working the same shift. I'd seen both ladies on a one to one basis previously and I had absolutely no doubt that they would work really well together as well as meet my requirements. These consist of:

- 1) being able to handle 2 sets of mega sized breasts at the same time; and
- 2) taking advantage of a specialist service that both ladies offer at their discretion to do things that can't be done on a one to one basis.

It was a late booking but, as luck would have it, they had a free 30 minute slot around the time I was able to slip away from my desk.

As you can imagine, it turned out to be an absolutely amazing experience.

The action started with Flora dfk'ing me while Morgan provided owo before moving lower and lower until she hit the bullseye. After a few minutes they swapped roles with Morgan taking over dfk duties and Flora the owo/rimming services. A few minutes later, there was another change in itinerary with Morgan providing owo while Flora focussed solely on the rimming. Then after several more minutes

they swopped roles again with Flora leading on owo and Morgan on rimming. While Morgan worked away with her tongue, Flora increased the pace of her owo keeping me on the threshold of climax for at least 10 minutes during which I felt every sensation in the range between agony and ecstasy. Then with time running out, Flora moved up to provide me with dfk and fondled me between the legs while Morgan continued to work away with her tongue. It only took a few rubs for me come and what a come it was - incredibly powerful and long lasting.

Definitely recommended for thrillseekers seeking the ultimate sensual exhilaration.
