The Premises:

A respectable square near Bayswater. The apartment is bijou, being kind. But so long as you don't want to swing a cat, it's fine.

The Lady:

The photos don't lie. She isn't a typically tiny Thai lady, as can be seen in the photos. She's taller than many, and a bit more substantial, particularly in one area of interest. Stunning. It's impossible to keep your hands off her.

The Story:

This was the second visit, which is a good sign. For the first meeting she was wearing delicious lingerie. It was a bit of a shock this time to find that she was wearing nothing at all to welcome me. Straight into a clinch, with hungry kissing. Anna kisses superbly. Sensuous, timid, aggressive, passive, thrusting, sucking and all at once. But never mechanical.

Into the rather small shower for a serious clean up interspersed with more kisses and then OWO. Wonderful.

A calming down massage followed, professionally delivered, then more warming up leading to delightful RO and conventional missionary sex. I understand that more adventurous techniques are available but I'm old fashioned.

Finally another shower to wash off the oil and away.

Anna is not a great conversationalist but she says very complimentary things as if she means them, which is unlikely given my seniority, but nice nevertheless. It's difficult to have a conversation anyway when your tongues are in each other's mouths.

Twice is not enough. I will be back.
