The Story:

This is my third visit with Nicola. She opened with long time no see (or something similar) and that she had been away on holiday and had only recently got back. Started off with some light kissing and caressing. I removed her one piece outfit and she complained that this was not fair - so she removed my clothes. Some fore kissing and cuddling then on to the bed. Kissing became deeper as the session progressed. Very nice. Oral came next, quite deep and slow, not too much stimulation (she does not do CIM) and after a short break for more kissing we moved to RO. Carried on with this until she came then on with the raincoat. Started off in cowgirl the doggy and then mish. Afterwards she cleaned up and we chatted about holidays but not for long as time was running out.

Great GFE and will stay on my 'to do' list
