The Premises:

Nice easy incall in Paddington. Nice apartment, easy enough to find and very clean and tidy inside. The bedroom is basically in the kitchen however, and the bed is a pull out bed, but it's still nice enough.

The Lady:

Karie looks like her pictures. In fact she looked remarkably nice without any makeup. She hadn't put any on because it was an early booking according to her. I saw her at 11.00am. She had been busy the previous evening apparently. But she was full of enthusiasm none the less. Dressed nicely etc. She has an all natural body, speaks good English too.

The Story:

Action began with a nice blowjob. She's good. She was going for a condom, so if you like OWO you have to ask. She doesn't mind, she just automatically goes for it anyway. As she was sucking me off she said that she also did CIM, which I liked the sound of because she was doing such a great job. It's always nice to know where things will end! However, she did require me to stop and give her the extra money. I don't mind this, but it's nice when they trust you.

After some very nice OWO, she covered me up and got on top for some nice slow riding. She's really into this position and her boobs look fantastic from this angle. They feel great too. Love natural boobs the most, although I don't mind enhancements. Karie varied her technique in this position, leaning forward, getting up onto her feet, and then leaning back etc. she was clearly enjoying it. This was followed by some classic missionary screwing for a while, before I turned her over and took her quite roughly from behind. Karie put her hand between her legs and brought herself off whilst I did this, so I'm guessing that she likes this sort of thing. Wasn't long before I needed to let go, so I got her to whip off the condom and go to work on the old chap again. She sucked greedily, asking me if I minded if she spat on my cock (I didn't!) she got it nice and wet and deep. I grabbed her head and face fucked her right at the end and exploded in her mouth. She left it in her mouth until I was totally empty.

Lovely girl, highly recommended.
