The Premises:

A 1970s terraced property very near Abbey Wood station. It was very clean inside and the entrance was fairly discreet.

The Lady:

Similar in build to the girl profiled, but with a darker skin. She was friendly though.

The Story:

This was a very standard punt. Unfortunately things like OWO were not offered. I doubt the girl had anything to do with the written profile.

This was more like a Soho walkup session. Within moments of laying on the bed the condom went on. We had covered oral followed by sex in missionary to completion. I heard another punter leave the house and I think there are 3 girls that work there.
