The Lady:

The Story:

Stunning woman, very attentive with gentle kissing, exceptional blowjob and she rode me cowgirl. Finished with more oral and exquisite attention to my balls.

Even though these are paid for experiences, as a middle aged man I still feel lucky to spend time with beautiful young women like Jess. I always thank my companions - Jess made a lovely reply by saying how much she liked my courtesy and also being well turned out and clean. I found this really touching but somewhat perturbed about how perhaps some guys treat these exceptional women.

Can't wait to see Jess again
