The Premises:

Spacious, clean and luxurious is Charlotte's apartment Marylebone. Within a few minutes walk of Bond Street underground station. Safe and smart residential area. Excellent shower facilities with clean soft towels and selection of shower gels.

The Lady:

Charlotte (www.bustycharlotte.co.uk) is busty and blonde whilst Kate (www.englishcompanionkate.com) is brunette and leggy. Both are sexy and dress to impress and man or even woman. I asked for the Vintage look ie corsets and fully fashioned stockings and trust me my mouth dropped, they are both very sexy ladies.

The Story:

I've been seeing Charlotte for several years now and my last visits have been duos with a number of different ladies (see review 127921) and I have never been disappointed.

Unlike previous visits this wasn't scripted at all had tea (how English!) and chatted, all very relaxed, friendly and unhurried. After taking a shower we piled onto the very large super king size bed and the fun began. Without going into the gory detail I will just say that a lot of fun was had by all. We were all rather hot, sticky and tired by the time the fun finished.

After another shower and some more tea I left very happy and satisfied. I don't think it gets better than this and I guarantee that you that you will not be disappointed by these ladies.
