The Premises:

10 minute stroll from Victoria Station. First floor flat above Hod 2. Those in the know will know. Much smaller than either Pimlico (much missed) and West Kensington. Easy to find though. A bit of confusion on my part but as I pressed the wrong buzzer the door was opened conveniently by the lovely Alexa who was off out on a break and instructed me where to go. Thankfully no disgruntled neighbours so no harm done. The room was perfectly adequate although unsurprisingly a touch warm. Not much in the way of cafés or coffee bars in the immediate vicinity so if you're early you could end up walking around the block in the rain like a lemon as I did.

The Lady:

Viktoria is tall, slender and naturally very beautiful. No need for make up, she looked amazing without it. Reportedly from Ukraine she is surprisingly tall and exudes a sexy air of class and elegance.

The Story:

In London for work matters and a later train home allowed a bit of me time. I had briefly met Viktoria back in March when visiting The Legend (Ella) and noted how attractive she was. Fast forward a couple of months and delighted to see her on the schedule during my visit. Simple booking process via a call and then for the first time I used WhatsApp to confirm on the morning. First class comms as always. I arrived a few minutes early and was shown to the room. A quick shower whilst the lovely maid brought me a glass of cold water. We had communicated via social media so Viktoria knew I was coming. Viktoria entered exactly on time wearing a sexy black dressing gown which was quickly dispensed with to reveal sexy black bra and knickers. A brief hello and introductory kiss and at Viktoria's suggestion we were both soon naked and on the bed. We chatted and embraced and the kisses quickly became more frequent and surprisingly passionate. Not all girls are comfortable with this level of kissing and as one who enjoys this in a booking it was very much welcomed and appreciated. Soon I was able to move down and kiss Viktoria's smallish but beautifully formed breasts and body.

Before long Viktoria moved down to provide a wonderful uncovered blow job. Gradually building up

speed and depth yet interspersed with teasing little pauses to kiss and lick my cock. Awesome stuff. Before too long I had to fuck her and as the condom was applied Viktoria rode me cowgirl whilst we kissed more and I played with her breasts. Spoons, Doggy, reverse cowgirl and missionary followed with more kissing. Viktoria has a wonderful figure and the most amazing arse, Doggy was therefore prolonged and particularly memorable. This young lady is certainly one of the most passionate ladies I've met and as we fucked in Cowgirl we were both knackered. I was struggling to maintain a tempo and the heat and my early commute was taking its toll. As time ran away with us a mixture of mutual masturbation and the filth from Viktoria's vocal encouragement led to Viktoria finishing me off by hand. At Viktoria's insistence I lay there as she cleaned me up before we again kissed as we dressed. More chatting and a brief hello to the absolutely stunning Billie who shot to the top of my wish list before a final kiss and I was away for the much needed red wine fuelled commute home.

Viktoria is a beautiful, friendly, passionate and very intelligent young lady who did everything to ensure I had a great time. She quite openly told me about her former education, career and possible future plans, Brexit permitting. I have to be honest I was quite taken by this young lady and would love the opportunity to see her again. My only disappointment was that due to the uncertainty of when my work commitments would finish I was unable to book for longer. A fabulous time with a wonderful young lady. So there you go, Viktoria's Secret is out. In two words, simply outstanding.
