The Premises:

House of divine Victoria basement. Personally my favourite. Clean as usual and the maid was welcoming as always

The Lady:

Very pretty British blonde and I can't get enough of her. Mid 20s with a gorgeous figure and curves in the right places. Her best feature are those fabulous breasts. Are they 34HH? YES and they are beautiful with perfect nipples. The HOD photos actually dont do her justice

The Story:

Having been to the HOD experience a few times, I must say, this was by far my most favourite. When I arrived I had to wait a while for an available room but my god was it worth it. I walked into the room followed in by Tara.

She was extremely sexy with red lingerie on and I couldn't wait to get them off. After handing the dosh. Tara got straight into dfk. Lips so tender and skin so soft. And those tits? I couldn't keep my hands off them. I spent a good few minutes on them alone with plenty of cuddling and kissing. Tara knew perfectly how to make good use of her standout feature.

I proceeded to playing with her pussy which smelt and tasted divine. It's truly an amazing view when you playing with her pussy while fondling with those tits. The noises she made was even more reassuring :)

I was already rock hard by the time I finished with her pussy and so she rode me cowgirl whilst I played more with her tits.

Alas it all came to an end and had a short conversation. Tara is a wonderful and lovely girl. If you are a boobman she is highly recommended. You will not be disappointed.
