The Story:

Utter crap. Avoid East european girls. Saw her at 1530 hours today. Played every trick under the sun to avoid the giving the service she offered and was paid for. She was almost falling asleep in the room. Would not let me touch her - everywhere was "ticklish" - it seems thats the only English word she knows. Evaded intercourse. Kept interrupting it. No doggy allowed. She told me she uses one condom only per 40 minute session and if she removes it she is not putting on another one. Total crap. I felt robbed. So bad i demanded a discount from the receptionist, but she refused to offer me one. Avoid that place and East European girls like a plague. Shocking attitude.
