The Premises:

She was on tour in Birmingham so was probably a friends flat she was at. Taken into the living room rather than a bedroom - that should have warned me what was about to come.

Think there may have been kids in the flat so that made me feel uncomfortable!!

The Lady:

The pics are possibly real only problem is that they were taken years ago before she put on stones!!

If you like them big then this girl is for you, probably about 20st.

The Story:

Horrendous!!

As soon as I was in the room asked to strip.

She went straight to giving me a BJ and hand job to make me come as quickly as I could. Then insisted I was only allowed to cum once.

It was meant to be a ffm session but the "girl show" was just a kiss.

As soon as I came - no chit chat, no cuddling, no kissing - nothing!!! She was straight on the phone!!!!

I was just fed up and left. Experience lasted 15 mins

Total and complete rip off merchant!!!!!!!!!!!!!!
