The Lady:

The description and pics on her ad where very accurate. In truth I think she is better looking in real life.

The Story:

I had my concerns about the date however the reviews on AW were very positive and I can only echo them!!!

She is a delightful girl, the chat was easy and I never give a blow by blow description of a date however everything I wanted was delivered in spades.

I have read feedback that communication is difficult, I had no issues although sometimes slow in reply but otherwise very reliable.

Would I recommend- wholeheartedly
