The Story:

Very good comms, when I reached the door she heard me coming and opened it before I could knock. She stood behind the door in the dark hallway but when I saw her, I was very happy.

Jenny had more of a tan than in her photos, and she has a very mischievous smile. She walked me into her room and kissed me on the lips. I gave her the paperwork and she asked me to undress as she took off her brand turned around to rub her ass against my crotch. I stripped down and sat on the bed, Jenny gave me a short lap dance, writhing on my lap then sitting on my knee for some kissing. Next we lay down together and Put our arms around each other for some gentle kissing whilst our hands wandered everywhere. Jenny then kissed my neck, down my chest and then held my had cock in her hand and asked if I wanted a blow job. Of course I said yes, on with the condom and Jenny began sucking me whilst tickling my balls. She alternated between licking and sucking on my cock and my balls and I was enjoying every second.

Next I went down on Jenny, I spent a good 5 mins on her clit and she seemed to enjoy it, the. She sat on my face and gave me a lovely 69. But by now I had to fuck her. It had been a lovely GFE so I slipped inside he in missionary. I had to be careful to to hurt Jenny but she took my full length and we had nice gentle sex also in spoons and doggy. Doggy was great as she was looking at me in the mirror whilst I mounted her. It was nice to switch between watching her look at me whilst I fuck her and looking down at my cock sliding in and out whilst her lovely ass bounced against me.

I can't even remember which position we were in when I came but I came heavily in the condom and Jenny helped me clean up. We were both very hot! We had a nice chat and a cuddle and then she gave me a lovely massage with oil which really relaxed me at the end she tried to get my cock going but it was too soon, instead we Jenny lay next to me and I stroked and squeezed her ass and

ran my finger tips up and down her body. Then I told her to look round so she could see that handling her firm sexy body had got me rock hard again. We only had 10 mins left but Jenny was happy for us to fuck some more and In I went for missionary again and then her on top with great eye contact and sexy little snarls.

We moved into spoons and I my cock remained rock hard but I was nowhere near coming and we were out of time, I would have paid for more but Jenny had another booking. She didn't stop straight away though and instead we just slowed up the thrusts and I slipped out.

Jenny was lovely and tactile as I got dressed and went to the door. I went away very happy.

Next time a threesome with Jenny and her friend Lisa is on the cards...
