### The Premises:

It was a Busy Friday Afternoon, so lots of traffic and busy street...  
The usual establishment... very discreet entrance off the Kettering road.

Been reported on here numerous times.

### The Lady:

Well, she is very much like her pictures on the website, gorgeous, about 5'7, stunning bum, boobs and figure head to toes, beautiful face and those gorgeous eyes.

### The Story:

I called to book the new girl Brooklyn as I was taken in by her stunning figure.

However any experienced punter would know it is a gamble when there is a new girl due to the lack of feedback and reviews.

I should have not had worried. I was a little early, however I had to wait 20 minutes due to some mix up with the booking, she popped in briefly and said she won't be a second.

She is engaging, friendly and put me right at ease..

What transpired was a sensual experience of mutual touching, caressing, kissing and OWO and other niche things I enjoy.

A fantastic lady, with a great attitude that provides a brilliant service and so down to earth.  
I definitely recommend her, however prefer to keep her to myself lol.

A valuable new asset to this establishment... Treat her with well and she would look after you xx

Hope to see her soon once again with some stripper heels xoxox
