The Premises:

Erica lives in a nice little flat in Bayswater. It's in a very discreet place, and you'd never think it was even there. A little pokey getting into the place and steep stairs right to the top, but inside it's very nice and spacious. Clean and tidy. Showers etc. were fine.

The Lady:

Erica is certainly the girl in the pictures. She looks a little older in person, but not much. Very tall, much taller than she appears on Babylon Girls website. I'd say she was easily 6 feet tall without her heels on. Fabulous long legs, and incredibly slim and toned. Cute, small ass and lovely boobs. Enhanced, but nicely done. Erica also speaks fluent English.

The Story:

Erica was wearing a nice little matching set of lacy and silk panties, bra and basque/suspenders. It always amazes me why the girls where the suspender belts but not the stockings. I didn't mind of course, she looked fantastic anyway! She began by giving me a twirl and a nice view from behind as I felt my way around. I stripped her naked all except the belt and kissed her all over. She smelled and tasted great. Went down on her for a while, which she seemed to enjoy quite a bit, before she returned the favour. Erica really gives great OWO, one of the best. Plenty of different techniques and lots of the right noises.

Moved into some sex in missionary because I knew that if I didn't I'd end up blowing in her mouth. She's so very tight, she feels great. And she's really responsive. Lovely getting a hand full of tits and kissing her nice and deeply whilst in this position. Switched to some cowgirl before whipping off the condom to have some more of that great OWO and then finally shooting in her mouth. I told her not to stop sucking as I came and she just carried on and on and it had be shuddering. What a woman. The CIM costs extra by the way.

Lovely chat afterwards before leaving. I'd see Erica every week if there weren't so many other girls to choose from at these agencies. She's so natural and uncomplicated.
