### The Premises:

Cheap and nasty. Even mattress springs are digging in the middle

### The Lady:

Not good looking.

Skin rough. UV damage across chest. Hairy legs.

### The Story:

Worst massage parlour experience ever. 10 minutes in she said "we're running out of time"... Which then put me off.

No attempt to try to give a good service. Rushed and horrible. I complained to reception but they weren't interested.
