The Premises:

Easy incall in Earls Court. Last minute choice really, in town for a short time so wanted to fill my time! Her apartment is nice and easy to find, neat and tidy, showers are good etc. felt safe and secure. Plenty of space.

The Lady:

Denisse looks just like her pictures, average height, very slim, cute little ass, small but natural boobs, all over tan and pretty eyes. Her age is about right in the mid twenties. She speaks good English, she's friendly and polite. Very much enjoyed her company.

The Story:

It was a basic service, given with enthusiasm. Pretty much what you would expect from a £150 escort and a little extra. I was not disappointed. I'd seen her for a while on the website and often thought about booking her. She was wearing a cute matching set of pink bra and knickers. These were soon off and we were laid on the bed kissing. Started stroking my body all over and paying a lot of attention to my dick.

I turned her over and grabbed the oil from the side table and coated her lovely cute ass. Started massaging her and she loved it. She felt great as I rubbed her cute ass and slipped my fingers between her legs. Leaned forward and slid my cock between her ass cheeks and she started to giggle and reach around to tickle my balls as I did it.

Started her OWO after this which was very nice. Wet and pretty deep. Lots of eye contact and moaning etc. Denisse has the noises and not all of them sound that fake to tell the truth. Switched it up to some cowgirl, then some missionary. Her boobs are really nice and natural. I'd been with a girl earlier that day who had some implants that were pretty good actually, but it was nice to get my hands on some natural boobs (just can't beat them in my book!)

I decided that I wanted to take her from behind like I wanted to in the beginning with the massaging. Her ass is just so cute. Wasn't sure if she did anal, but wasn't going to ask how much, so I left it. Besides, her pussy was lovely and tight anyway. Laid her on her front and went at it like that for a

while, with her tickling my balls again until I came nice and hard inside her. Felt very satisfying.

Had some nice conversation before I left. Denisse is a lovely girl and a great choice for the money.
