The Story:

Gemma came in full of smiles and greetings, once the business side was done it was time for action.

Snuggling up to each other we went through the do's and don't and I started in my preferred way by slowly making my way down her stunning body. Once at the pussy, which was a delight, I got to work.

10 minutes of gazing up at Gemma's body while eating pussy she came, what a sight and followed by a big smile and a thank you...she then demanded to return the favour. No CIM but happy to BJ uncovered

And what a BJ, Gemma's slow technique is....wow. But wanting to taste her again I asked for 69....again no sign of unwillingness and in no time we where enjoying each other.

Feeling her temperature rising again, I asked her to lie back down so I could have seconds eating her out. From the outset she made a point of no fingers...but she did forbid hers....with me licking and her rubbing Gemma came again this time her back arched in pleasure. What a sight!!!

Now it was my turn...on with the rubber and we started with missionary. Gemma gave all the right sounds and noises until we realised time was running short, she flipped over into doggie and

showing why ab workout really have benefits I came in short order.

With 5 minutes to recover I was offered a shower and left with a kiss goodbye.

Definitely going to return, longer next time
