The Premises:

Nice apartment building just across the road from the HUB in the the centre of Milton Keynes. Free parking after 6pm, but even before that there's plenty of cheap hourly parking immediately outside

The Lady:

Unbelievably beautiful lady, Jet black hair, tanned, toned and an incredible derriere. Mid 20s I'd say. Photos are extremely accurate. One of the most beautiful women I've ever had the pleasure of meeting. Definitely lived up to all the expectations you have just off seeing her website pics

The Story:

Genevieve has been on my to see list ever since she joined Annabella's way back when but I always found myself too intimidated to book an appointment with her, I think it was fear of ruining the perfect image you have of her after seeing her website and twitter pics.

Genevieve answered the door of the apartment which I wasn't expecting as you're normally greeted by a maid but boy was I happy I'd decided to finally get over my fear of meeting her because she is stunningly beautiful.

After being directed to a room while she got herself ready I sat and waited anxiously for Genevieve to enter. When she finally entered wearing the sexiest lingerie set and stockings, I won't lie I was a little nervous as I've been wanting to see G for quite some time now but that was soon put at ease after a little chat about how our days had been so far. (mine obviously about to get a whole lot better) One thing I like to ask the ladies before getting into things are their dos and don'ts, to my disappointment kissing was the only thing on her don'ts list. Usually I'd find that to be a bit of a stumbling block as kissing is a massive turn on for me but when you see just how gorgeous Genevieve is in the flesh that doesn't end up being much of an issue.

Our hour encounter involved some of the best OWO I've ever had, RO which Genevieve seemed to very much enjoy, sex in a number of positions and an amazing 69 to bring things to a conclusion. Afterwards we spoke for while which didn't feel forced false or rushed in anyway. As well as being drop dead gorgeous, Genevieve is just an all round nice girl. I will definitely be visiting her again in

the future
