The Premises:

Victoria basement flat. Clean, tidy and my favourite location now that HOD 3 has moved from Pimlico. I had the rear bedroom which is my preferred room as at the from you tend to hear clients coming and going during longer bookings. Otherwise a nice, safe and discreet location.

The Lady:

Absolutely beautiful young woman with gorgeous long flowing hair, small but perfect breasts with perfect nipples and a wonderful, tight pussy with a very nice amount of neatly maintained pubic hair above. Viktoria seemed to have no issues getting very wet with me and she's just generally a wonderful individual. Never met a woman quite like her and she's a real unique gem.

The Story:

I won't be going into minute detail in this review about everything Viktoria and I did, that will remain between the two of us, but oh wow, this woman is on another level of incredible. Viktoria really is an exceptional woman and I worry that I'll be unable to convey just how utterly incredible she really is.

Every booking I make seems to be better than the last. There was a time that I was planning to quite HOD after a terrible booking with one of the 'older' girls whom shall remain anonymous but since then the girls I've booked have just gone from strength to strength and I'm a bit worried that I may fall hard for one of the future girls I'll be booking if the trend continues.

She has it all, drop dead beauty and a personality that is just out of this world amazing. Her smile lit up the room when she came in and she is just so full of life and is so eager to please. I could have happily spent several hours with this wonderful woman.

Every inch of her is perfect from her wonderful long, luscious hair to her perfectly painted toes. I knew within 5 minutes of meeting her that I would be seeing this girl again. We seemed to hit it off very well and I have been assured by the wonderful maid (special mention must go to her, young petite brunette lady, as her communication via text is amazing and it was just as much of a pleasure to speak with her) that Viktoria is very eager to see me again too.

As another client has said in a previous review, shame on those that have seen Viktoria for not reviewing her, I'd like to keep her all to myself but couldn't live with myself if I did not leave a glowing review for her and the exceptional maid.

I had originally booked to see her on Friday but unfortunately the client before me ended up abusing Viktoria and after he was dealt with she had to leave so badly had he treated her. It really is a low pathetic little individual unfit to be called a man who treats the girls, or any woman like this and I really hope karma bites him in his disgusting abusive butt.

Anyway, thank you so much Viktoria for being just so unbelievably, indescribably incredible, beautiful and all around wonderful. Please stick around at HOD for a while as I need to see you again! Xx
