The Premises:

Apartment in an easy to access area. More homely than I expected. I think I spotted a cat.

The Lady:

Giselle has a rocking body. She obviously trains a lot in the gym. Great tits and ass. The pictures don't show off how fit her body is. I got the agency to send me a selfie for a better look of her face.

The Story:

Giselle was welcoming with a big kiss. Once the money was out the way we kissed and made out some more, her hands going for my bulge, rubbing it to stiffness.

An intervening shower. Before she gave me a great uncovered blowjob. The view of her back and ass as she sucked me was amazing. She has very little fat on her.

Sex in doggy. I enjoyed ploughing her hard. My stomach smacking up against her fit bum was felt in my stomach muscles the next day. I climaxed on her tits. I made quite a mess. She enjoyed rubbing my cum in to them.

A session with Giselle is probably better than a session in the gym. I think I will nickname her miss TnA.
