### The Premises:

A small but ideal address, lots of free parking right outside and a discreet entrance. The room was clean and tidy, warm and just the job!

### The Lady:

Morgan's photos are very accurate, except you can't see her face. She's a pretty girl in reality and has a wicked smile! I was instantly attracted to her and only more so after she started taking her clothes off!

### The Story:

Morgan was running a bit late but not a problem - I wasn't in a rush. I was shown to the room and she was waiting there for me, wearing a black outfit but I just couldn't keep my eyes off her boobs! We said hello and had a lovely kiss and cuddle. She was super welcoming and friendly - she'd put anyone at ease straight away.

After a bit more kissing, she laid me down and treated me to fantastic OWO, teasing my balls and with an awesome technique. I wanted to return the favour and went down on her. She's sweet tasting and a sight to behold!

Morgan then asked me to straddle her and she gave me an unbelievable tit wank. The sight of my little fella between her boobs, and popping in and out of her mouth, will stay with me a long time!

I could have enjoyed that for the rest of my time with her but I wanted to get inside her, so on with the condom and she jumped on top of me. Those fantastic boobs in my face as she rode me, just excellent. We returned to my cock in between her boobs for an amazing finish.

We had a chat after which I enjoyed as Morgan is so natural, funny and easy to be around. I really enjoyed my time with her and I'll be back for more! Treat her well guys - she's a beauty.
