The Premises:

A very clean and modern flat situated about a mile from Eltham rail station. The entry was very discreet. She asked me to take my shoes off before we entered the bedroom.

The Lady:

A very petite young Italian girl although the profile says she is Romanian. She was wearing a very fetching pink shell suit when she let me in. She was light skinned and had very nice teeth.

The Story:

I enjoyed the session. It started with a choice of 3 girls. Marina looked really cute. She took off the shell suit to reveal a perky pair of A cup breasts and a really peachy little bum. I'd guess she was maybe between 19 and 21 years old. She gave me covered oral and we had sex in doggy position. That was a must for me so I could take advantage of seeing and squeezing that little bum.
