The Lady:

Veronica is a beautiful, sexy and passionate woman

She has dark skin, dark brown eyes and lovely brown hair

Fantastic flawless body with beautiful breasts

She is the first Czech woman I have ever met and she has made me wonder if all the Czech women are like her?

She has a killer smile and is very funny as well

She is very professional and very warm and caring great GFE

The Story:

So I turned up at the apartment and was shown to the room by another girl

Shortly after Veronica arrived and looked even better in the flesh

She has the most wonderful smile and great sense of humour

I was very nervous, as I have been out of the game for a long time

She was great and got me a drink and made me relax on the bed

We talked and she asked a little about me and why I was there, after 5mins we got undressed and lay on the bed

She was lying over me with her lovely naked body pushing down on mine as she slid up and down my chest

She is a great kisser and we had some FK but nothing too deep

She laid next to and let me explore her wonderful body, her bum, amazing, her breasts amazing and the best nipples I have had the pleasure to nibble on

Then between her lovely long legs the most beautiful exquisite pussy, perfect in every way

I spent a minute just admiring it, then started to lick her beautiful lips, she tasted divine and I was loving every minute

I stoped after a while and she told me to get back down there and finish her off as she was enjoying it, of course I obliged

Now my turn as she laid me on my back and gave me the best OWO I have ever experienced, Amazing tongue and hand work

Then it was time to cover up and she sat down on my erect cock

Great cowgirl session whilst playing with her breast and kissing her softly

Then over in to missionary, so we could kiss some more

She opened up her legs and I thrust so deep inside her, lifting her legs around my head, she is very flexible and it felt amazing

We continued deep and hard until I could not hold back anymore and I exploded deep inside her.

Cleaned up and talked as she kissed and stroked each other until the end of the hour.

Can not recommend highly enough, very passionate, very sexy and great at making you have a good time

I will definitely be back!

Loved the white chocolate from Hotel Chocolate, thanks for the recommendation
