The Story:

Shown to room by the maid, offered a drink.

Didn't shower and i had one before. Valentina came in and she looks exactly like her photos which is great. No photoshopping which is unique. Pleasant enough but seemed a little distracted at first. We had a brief chat and I got on my front. Good firm massage plenty of tickling in the right places which I like. Good feel off her boobs on my back. Onto my front and plenty of oil applied, more massage to my legs which I very much appreciated and she seemed to warm to me as she was smiling and made some good eye contact.

Good to have her sliding up and down with some light touching allowed and the very occasional pussy feel, which she gently moved away from if I got too firm. Great tit wank with oil. No kissing unlike other reviews, but i am ok with that. Great slow hand wank and plenty of oil had me cumming like crazy.

All in all a good punt. Pretty lady and I will visit again as she definitely warmed up the more we got into it.
