The Lady:

This has to be the best looking Thai girl in London.

Anna looks just like her photos, which is to say exceptional. She's taller and has a more European body than most Thai ladies.

I couldn't stop staring at her.

The Story:

Although she looked like what I expected, What I didn't expect was how good she is at wanting to give you a good time.

From the time the door opened, the shared shower, dfk. owo, ro and dirty talk did it for me and I can't wait to see her again. Maybe with a friend as she suggested?

Only thing is, her eyesite may not be too good, as she insisted I am handsone?
