The Premises:

As usual, place was clean, well maintained with en-suite showering in all rooms. Plenty of free priced parking around the back of the premises.

The Lady:

Gorgeous strawberry blonde lady, early thirties with a body to die for.

The Story:

This is the third (or fourth) time I'd visited Jayda having also had the pleasure of both Josie (now left) and Poppy.

For a bit of variety I almost chose Zeena who was also working that day but knew I would be guaranteed a good experience with Jayda so chose the safer bet. We had the small room which was the only downer as it can be a bit cramped.

As well as receiving a sensual massage on my front and back I also like to give the lady a massage myself which I find almost as pleasurable as receiving one. Other reviews confirm the format which is tried and tested. Lads, if you haven't tried Ego yet, do so, I wished I had years ago.

Couldn't recommend Jayda high enough, beautiful face, fit as a fiddle figure and has a naughty smile that will melt you inside.
