The Lady:

The blurred pictures do not do Pippa justice, she is a very attractive petite brunette who has the stamina and attentiveness only few women possess.

The Story:

I've had the pleasure of Pippa at parties previously held in Northampton and have been meaning to have a 1-2-1 with Pippa for ages. Well it finally happened and I was not disappointed. This lady has that 'something', I don't know what it is but she has it, from the moment she entered the room until our time was interrupted by a knock at the door (from the maid) I couldn't get enough of her.

Without question the best (sloppy) BJ and DFK that I have experienced. How Pippa only has two reviews is beyond me.

I would recommend without hesitation, irrespective of punting experience, Pippa will deliver for you.

Roll on next time!
