The Premises:

Usual mk flat. Very discreet. Nice clean place. Plenty of cheap parking. All good.

The Lady:

As per her photos, I'd say mid-twenties but I'm not expert on age.

The Story:

This was my first of three punts on the day and it was supposed to be with Flora who had been on my radar for months having opted to work in MK for the first time while still working out of House of Divine in London.

Unfortunately, on my (2hr) drive to MK I phoned to confirm my appointment only to be informed Flora was not going to be in today and would I like to see another girl. Adrienne's name came up and I knew that I'd thought about seeing her in the past so chose her.

The appointment was ok but I don't think my heart was is it to be honest having been all pumped up to see Flora. Having said that, Adrienne was great, did all the right things and I popped my cork at the end, hence the positive recommendation.

Fortunately my two later appointments didn't disappoint (see other reviews).
