### The Premises:

Pleasant, familiar apartment with discrete entrance. Nice room with comfy, non squeaky bed a few well placed mirrors. Ideal.

### The Lady:

Jaimee is a beaut and was the perfect choice on a walk in appointment. She is 21 years old, absolutely beautiful, full of smiles, flawless skin and has incredibly long, straight, black hair that reaches her bum. She is extremely thin, medium height with medium sized, perfectly pert boobs. If you are into young, tight, toned girls like I am, Jaimee is for you. She wore a lovely black and red one piece with stockings. Genuinely better than her photos would have you believe and she speaks good English. I have been doing this for a long time, and she is one of those awesome finds that will be remembered among the best.

### The Story:

The meeting itself was every bit as good as the first impression Jaimee gave. She came straight in for some tight hugs and kisses. She doesn't list FK on her profile so I didn't expect it, but she initiated some tongue action right away! She helped me undress and dispensed with her underwear in one slick, sexy movement, proudly presenting her flawless body. I admired her for a moment and dove straight in.

We hugged and kissed a bit more while she rubbed her naked body against mine and asked me if I liked oral. It was a silly question really. She gave the choice of with or without. She is really very good at doing this and did it slowly and deeply in front of the long mirror so I could enjoy it from 2 angles. All the while Jaimee kept eye contact with me as she kept a great rhythm back and forth.

We moved into the bed and Jaimee took me in her mouth some more. Just to confirm what a professional she is, she even adjusted herself so I could see her tiny ass and shaven pussy spread open in the mirror. She whispered to me "Are you ready to fuck?". It was another silly question and my answer came without hesitation.

I stayed as I was and Jaimee lowered herself onto me, again keeping eye contact. She really is a fantastic performer and adjusted herself a few times from leaning over for more tongue action to leaning back so I could enjoy her skinny body and perfect tits. I loved going at full speed with her like this and watching her have a great time. Either she loved it as much as me or she is just a great performer. I was certainly convinced.

I asked her to turn around and she continued in reverse cowgirl. As usual, she positioned herself in the optimum position to the mirror so I could enjoy two views. I spanked her a few times and she responded perfectly with a mixture of surprise and pleasure. Although she never asked me to stop, I didn't go too rough as I imagine it must be tough for the girls having guys slap their ass all day.

Next Jaimee moved herself into all fours. This was sooner than I'd planned as I like to finish this way and still had a fair bit of time left. As soon as I saw Jaimee putting her stuff on show like that, I couldn't refuse. I entered her smoothly and set about building up speed. I got the feeling that this is also Jaimee's favourite position.

I moved up so I was pretty much squatting down and riding her while she curved her back and pushed her pussy up. This was fantastic and I was building up to finish. I gave a final few minutes of full speed pounding and exploded inside. I collapsed down and pinned Jaimee face first down on to the bed with me still throbbing inside of her. We both fell about laughing and I think we both had a great time.

We cleaned up with a bit of time left and Jaimee offered me a massage. She really does earn every penny and makes you feel like a king. We chatted a bit about her job and I believe she actually really enjoys it. If she doesn't, she is very good at putting on a good show of it.

As I said before, Jaimee really is an awesome find. Stunning on the eye, very easy to get on with and puts in a great performance. I promised after the sex that I'd leave a 10/10 review but the massage took it to 11/10. I absolutely can't fault Jaimee for looks, personality or performance and she gets my top recommendation.
