The Premises:

Very easy incall booking in Earls Court. She has a nice apartment, easy to find and access. Comfortable inside and cosy. Nice shower etc.

The Lady:

Nikolina looks like her pictures and she said she's 23 years old. This seems right. Very youthful body, beautiful too. Lovely long blonde hair and beautiful eyes and smile. A real cracker! She speaks pretty good English too.

The Story:

She was wearing a silk robe and heels when I arrived. Greeted me with a nice girlfriend like kiss, not overdoing it with the tongue, but very passionate. I like this subtle, more natural approach. She's confident and genuine. Lovely smiles. She removed her robe to reveal a lovely purple lace bodysuit type lingerie. Turned around as I sat on the end of the bed and rubbed herself against me, turning me on. She has some great moves. A lovely tight and firm ass that feels great. When she turned and showed me her boobs I was very happy indeed. They are just the right size, full, yet perky and youthful. Lovely wide nipples and very responsive.

She dropped to her knees and started sucking me off nice and deep and wet. This was great, she has a really good technique and a genuinely deep throat. Smiled at me during too. I said that I wanted to cum in her mouth when we finished and she told me that was extra. I told her that was fine and she continued to blow me. I like it when they don't insist on you going to your trousers to find the money there and then.

Moved onto some sex in cowgirl so she could put those lovely tits in my mouth. She seemed to like this a lot and started to play with herself whilst she rode me. Allowed me to do much of the work in this position while she played. Very wet. Turned her over and wanted to go doggy. She wasn't sure about this because of my length, but went with it and we took it slow and steady. She continued to play with herself and brought herself to climax with me inside her. Must have liked it a bit!

Moved onto some missionary for a while and this has to be where Nikolina is at her best. She wrapped herself around me like some kind of cuddly chimp. Legs and arms held me tight as I held

her and we moved together so well. This was a real turn on and I was getting close, but I knew I wanted her to finish me off with that mouth so stopped eventually. She took me in her mouth and sucked me until I shot in her mouth and she didn't stop. A wonderful experience with a wonderful young woman. Recommended
