The Lady:

Eva is a very good looking black girl in her twenties. She is slim, petite and busty with a very firm toned body. She has a very relaxed personality and is so easy to get on with. She makes perfect company.

The Story:

From the moment she came in the room she was so-laid back but at the same time very enthusiastic to please. We started with a cuddle the she went down on her knees and surprised me. After some lovely gentle caressing with her lips she took me in to full depth and made nothing of it! Thats the first time anyone has gone that deep despite others professing deep throat specialism. Absolutely brilliant. Oral on Eva was equally pleasurable as she has such a responsive pussy and after a few minutes it was tasting delicious. It was then so easy to slip inside, and after 2 positions I decided to finish with her wanking me. Seriously, one of the best escorts you're likely to find.
