The Premises:

HOD 3 location in Victoria area. Clean room with double bed, mirrors and a fan. Also access to a shower

The Lady:

Ebony with large natural breasts, long legs and dressed in pink bra, matching thong and white fishnet holdups and high heels. Really a sexy pornstar look

The Story:

Started with her tits. Where else. Really a nice change to have natural ones, after all the implants that seem to dominate these days. Highlights were a tit wank with her licking the head of my dick.

Great oral, although not face fucking. Then sex in mish, cowgirl and finished with doggy. Great view in the mirror of me pounding her from behind while her tits bounced around. Had hoped to finish with CIM but the doggy view got the better of me. Decided not to go for a second pop and had a nice conversation with Raven before showering and heading off to another meeting. She is a really nice girl, intelligent and a bit on the shy side. A great GFE experience.
