The Premises:

An efficient booking through Babylon Girls again. They're preferred for my earlier bookings because they respond quickly and work hard to find the right girl. It's sometimes hard to get them before lunch, but Babylon always come through. Dinara lives in a nice apartment in a discreet building, close to the station. Tidy and comfortable enough, spacious and clean. Nothing much else to say about it.

The Lady:

She is certainly the girl in the pictures, and she is stunning to look at. Nice and tall, with an all natural body. Her age is accurate in my opinion. Dinara is definitely high class material when it comes to her looks. Her English seems ok, but she's not very talkative. I think she was a little nervous, I'm not sure. She was wearing a very long dress with a split up the middle, looked astonishing to say the least. Real catwalk material!

The Story:

Her service wasn't nearly as good as her look however. If she had the same level of service as I had from the Russian I booked the night before, Dinara would have easily been the best escort of all time with these looks. I have to say that looks don't really qualify a high price, and the service I got from Dinara, whilst very good (don't get me wrong), would be more accurately rated at a £150 girl, £200 at best. £300 is a high price to pay for this.

We kissed and caressed, she stripped for me which was nice, but she didn't seem over confident really. Kisses were not very passionate either. By far the best thing about Dinara was her boobs. She has some of the nicest boobs I've seen in a long time. Big, heavy, but still perky and all natural. They felt great and looked great in every position. She enjoyed me starting things off by going down on her though. I couldn't resist, her pussy looked so nice and it tasted great too. I enjoyed those long legs and thighs wrapped around my head. After this we went into some missionary with her legs wrapped around me. Very long legs! Cuddled up in her big boobs and sucked them whilst we moved together. Very hot!

Moved onto a little doggy, but she wasn't too fine with this because of size apparently, so we switched it so she was on top. This was even better and those big tits were in my face all the time. I

squeezed and banged them around for ages and she didn't seem to mind at all as she rode me. Great tits! (did I say that already LOL!) Finished off with some OWO, which wasn't too bad really, nice and wet. She told me CIM was extra so I didn't take her up on it having already paid enough. She wanked me off and that was that.

Lovely looking woman, and a good basic service. Recommended, but not at this price. There are better girls on Babylon for much less.
