The Premises:

very discreet no outside signage best ring and they will give you the house number free parking opposite room was very nice porn on the telly throughout nice warm shower and got a cuppa on arrival

The Lady:

nice looking lady I found her very attractive boobs were huge and natural blond curly hair an extremely tight pussy shaved tall and imposing dressed in sexy underwear (basque & stockings)

The Story:

she entered the room with a cup of coffee in hand and immediately put me at ease she pulled down the top of her basque and let her gorgeous breast fall out and huskily asked what I would like (all inclusive) so I immediately had a good play with her magnificent tits then asked for oral which she went straight down on me omg this lady is skilled the pleasure was almost too much after a while I needed a break so we switched and I licked her which she seemed to appreciate then a bit of doggy before returning to oral. If you like a blow job this lady is the BEST I have ever had by a long long way believe me as soon as I can get an excuse to head over to the north west again it will be on a Wednesday!!
